

## For the Fall

The shoe question presents the one live issue. It's impossible to walk away from it. The question must be met, and we expect to carry the city and country by a handsome majority with our stock. All shoes can find comfort in our shoes, because they're a luxury in leather. A good shoe shapes itself to the foot and does not make the foot shape itself to the shoe. That's our shoe idea exactly, and we can give you something that'll belong to your foot as well as be just what's wanted for rainy weather; and at such low prices as

\$2.50 for a fine Bt. Dong, Button, That has the style of a Four Dollar Shoe.
